

Traveler Security Program Assessment

Peace of mind is knowing you're doing all you can to keep your **travelers safe**.

Our comprehensive Traveler Security Program Assessment will help you take your travel risk management program to the next level.

Our assessment is the result of leading security research and best-in-class programs. Our travel risk management consultants will use their first-hand expertise to perform an objective analysis of your program in 11 key areas.

Your results will be specific and actionable - digging deep into each area to help you build a travel risk management plan that keeps your travelers safe while giving you peace of mind.

Onsite Discovery Session

Our BCD Travel experts will lead you through a full-day session designed to thoroughly assess your current program.

Personalized analysis

We'll uncover your opportunities in the 11 key areas, in light of your business priorities and culture.

Documented results

Detailed findings and action items to reference for the life of your travel risk management program.

"Our goal was to assess Imperial Tobacco Group's situation in light of industry standards. The BCD Travel team was very well prepared and guided us through the workshop in a very professional manner."

- Felix Timtschenko, Director of Security and Kerstin Knör, Global Travel Manager, ITG
